

Domaine Roger Belland

Domaine Roger Belland Criots-Batard-Montrachet

2016 had a delicately restrained and complexly understated aroma of chestnut, pecan, toffee, sweet olive, underbush, stone, spices, citrus, yellow apple and a touch of black truffle that seemed to gain intensity in the glass. On the taste, it showed expected greasiness buffered by fresh, citrusy and clean acid that extended to a saline, poised and firm finish that was suffused with minerality.

Domaine Roger Belland Criots-Batard-Montrachet 2017 displayed lovely and fresh fruits (mostly yellow fruits) on nose lined with stone, nougat and flowers. Very firm and stony on the palate that had typical oiliness of this vineyard.
